

Intellectual & Developmental Disabilities Standard Package

Relias is committed to helping you solve your personnel and financial challenges, so you can focus on supporting and improving the lives of the people you serve. Our courses provide your employees with the knowledge and skills they need to provide great care.

- **700+ courses**
- Courses designed to meet provincial, CARF, COA, CAC and other training standards
- Professional development for DSPs, HR professionals, case managers, and executives
- Training to fulfill NADSP certification requirements and courses that correspond with NADSP E-Badges
- Curricula for ANCOR Certificates of Achievement
- Training based on best practices and developed in partnership with nationally recognized experts
- Tools to create your own courses and exams

“What we really love about the courses Relias does is that they’re interactive trainings... You have to be paying attention. You have to be active and involved.”

- Kathy Weatherl,
Bost Inc., Arkansas
