

## Infection Control For Education Service Providers Webinar - NEW LOWER PRICING

Wednesday, August 5, 3:00 PM - 5:00 PM

\$40 members / \$50 Non-members

(Fee has been reduced on existing registrations)

Presented by: Fred Wetzel, PhD, RN, CDP

This seminar is intended to provide information on methods and protocols which will permit education staff in our preschool and school-age programs to protect themselves and

Support our children from contracting illness. The content discussed is in compliance with (Interim Guidance for In-Person Instruction at Pre-K to Grade 12 Schools during the COVID-19 Public Health Emergency)

“Interim COVID-19 Guidance for Schools” DOH Interim guidance for Child Care programs.

### Topics will include:

- Concepts of infection prevention and control for our preschool and school-age programs
- Workplace practices to help our education providers minimize risk of exposure to disease
  - Use of Personal Protective Equipment (PPE)
- Environmental and social factors to reduce exposure
  - Sanitation and disinfection techniques for our schools and classrooms.
