Community Conversations

Supporting New Americans with I/DD in Your Region

The NYS Office for New Americans (ONA) [Ramirez June Initiative](#) is pleased to invite you to join a virtual regional **Community Conversation** to build connections among ONA's statewide network of immigrant service providers and NYS developmental disability service providers.

Community Conversations will be an opportunity to discuss:

- Who are the new Americans with intellectual and developmental disabilities (I/DD) in your community?
- What resources are available for NYS new Americans with I/DD and their families?
- How can local immigrant service providers and developmental disability service providers collaborate to best serve this population?

Register to attend a Community Conversation in your region:
